Workshop Space Needed in York

Do you have space in the York area that can accommodate workshops for caregivers and children? Space must have a kitchen and be available in mid-May. Please contact skye@torontoarts.org

Diaspora Dialogues

Diaspora Dialogues supports the creation and presentation of new fiction, poetry and drama that reflect the complexity of the city through the eyes of its richly diverse writers.

Dear friends of the **Neighbourhood Arts Network**,

We want YOU! This month there are lots of exciting events that need your support and participation - including our own Networking Session this Thursday!

Read on for details...

Networking Series

Let's get up close and personal! Join us at Art Starts on **Thursday, April 29th** from 4-6pm for a friendly gathering of community artists, cultural workers and others.

Come and meet other NAN members, share your stories, and relax with some snacks. This Thursday's topic is Training for Community-Engaged Arts. [See the full post](#) on our site for more details.

Registration is FREE: Email skye@torontoarts.org or call (416) 392-6802 x212.

Summer Calendar

Publishing and mentoring activities, as well as a monthly multidisciplinary performance festival, help encourage the creation of a literature that is vibrant and inclusive, while bringing these works to a wide audience.

[Diaspora Dialogues](#) is supported by Maytree, Canadian Heritage, Ontario Arts Council, Canada Council for the Arts, the City of Toronto through the [Toronto Arts Council](#), the George Cedric Metcalf Charitable Foundation, TO Live With Culture, the Vital Toronto Fund at the Toronto Community Foundation, and RBC Foundation.

If you have a project, job posting or call that you would like to share with the Network, please contact skye@torontoarts.org

Our Mandate: The [Neighbourhood Arts Network](#) is Toronto's first network dedicated to supporting art-making in neighbourhoods throughout the city. The Neighbourhood Arts Network supports and connects artists, arts organizations and community groups creating art at a local level.

We welcome groups and individuals working in any arts discipline, from any area of the city, whose interests or mandates embrace the idea of community engagement and accessibility of the arts.

We're planning to distribute our Neighbourhood Arts Summer Calendar city-wide through libraries and community centres. The Summer Calendar is a great outreach opportunity, so let us know about your upcoming programs and events.
